Wilmer Cutler Pickering Hale and Dorr LLP (“WilmerHale”), special regulatory counsel for the Audit Committee (the “Audit Committee”) of the Board of Directors (the “Board”) of Delphi Corporation (“Delphi” and, together with the other debtors in the above-captioned proceedings, the “Debtors”), and special counsel to Delphi Corporation, submits WilmerHale’s sixth interim application, pursuant to Section 330(a) of title 11 of chapter 11 of the United States Code (the “Bankruptcy Code”) and Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), for the allowance of compensation for professional services rendered and for reimbursement of expenses incurred in connection with such services for the period from June 1, 2007, through September 30, 2007 (the “Application Period”) and, with respect only to services rendered to Delphi in connection with the Mothershead matter, the period from April 13, 2007, through September 30, 2007² (together with the Application Period, the “Amended Application Period”), respectfully represents:

¹ WilmerHale has not received any compensation for its professional services rendered or expense disbursements during the April 2007 fee statement period. Therefore, WilmerHale now seeks 100% of its April 2007 fees earned in connection with the Mothershead matter.

² WilmerHale seeks interim compensation for professional services rendered and expenses incurred to Delphi in connection with the Mothershead matter, as explained herein, from April 13, 2007 through September 30, 2007. Legal Cost Control instructed WilmerHale to include the April 2007 and May 1, 2007 through July 31, 2007 fee statements in WilmerHale’s Sixth Interim Fee Application. In accordance with Legal Cost Control’s instruction, WilmerHale seeks interim compensation for professional services rendered to Delphi in connection with the Mothershead matter from the period of April 13, 2007 through September 30, 2007.

Background

1. In 2004, as previously disclosed by Delphi, the Securities and Exchange Commission (the “SEC”) and other authorities began investigating Delphi’s accounting and adequacy of disclosures for a number of transactions (the “SEC Investigation”). The transactions being investigated include transactions in which Delphi received rebates or other lump-sum payments from suppliers, certain off-balance sheet financings of indirect materials and inventory, and the payment in 2000 of \$237 million in cash, and the subsequent receipt in 2001 of \$85 million in credits, as a result of certain settlement agreements entered into between Delphi and General Motors Corporation.

2. The Audit Committee undertook to examine the circumstances giving rise to the SEC Investigation and to take appropriate actions with respect thereto, including disciplinary actions and communicating with the SEC and other authorities. In 2004, the Company retained WilmerHale to represent the Audit Committee for these purposes. In connection with the SEC Investigation, WilmerHale has reviewed documents, interviewed relevant personnel, advised the Audit Committee and the Board, communicated with the SEC and other authorities, and performed related tasks.

3. On October 8, 2005 (the “Petition Date”), Delphi and certain other of the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

4. On November 9, 2005, the Debtors filed an application (the “November 9, 2005 WilmerHale Application”) seeking authority under Section 327(e) of the Bankruptcy Code to employ WilmerHale as special regulatory counsel to the Audit Committee with respect to the

SEC Investigation, effective as of the Petition Date, in accordance with the terms set forth in the Declaration and Disclosure Statement of Charles Davidow, a partner of WilmerHale, and an engagement letter between Wilmerhale and Delphi, submitted in support of the WilmerHale Application. The November 9, 2005 WilmerHale Application was approved under an order of the Court entered on December 2, 2005.

5. On December 26, 2006, the Debtors submitted a Retention Application (the “December 26, 2006 WilmerHale Application”) for authorization to employ and retain WilmerHale to provide Delphi with legal advice in connection with the preparation and filing of Delphi’s annual report, executive compensation, and related disclosure matters. On January 18, 2007, the Court entered an order granting that Application.

6. On July 31, 2007, the Debtors submitted a Retention Application (the “July 31, 2007 WilmerHale Application”) for authorization to employ and retain WilmerHale to provide Delphi with legal advice in connection with the securities law-related allegations made by Robert Mothershead in the Creditor’s Request To Hold Matter In Abeyance, In Response to Debtors’ Eleventh Omnibus Claims Objection, filed on April 13, 2007. On August 15, 2007, the Court entered an order granting that Application nunc pro tunc to March 29, 2007.

Jurisdiction and Venue

7. This Court has jurisdiction to consider this Application pursuant to 28 U.S.C. §§ 157 and 1334, and the Standing Order of Referral of Cases to Bankruptcy Court Judges of the District Court for the Southern District of New York, dated July 10, 1984 (Ward, Acting C.J.). Consideration of this Application is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

The certification of David Wilson, as required under the Local Guidelines, is attached hereto as **Exhibit A**.

WilmerHale seeks interim allowance of compensation for professional services rendered to the Audit Committee and to Delphi in connection with the Mothershead matter during the Amended Application Period, in the aggregate amount of \$96,478.00, and for reimbursement of expenses incurred in connection with the rendition of WilmerHale’s services during the Amended Application Period in the aggregate amount of \$3,230.84, for a total award of \$99,708.84. 22. WilmerHale has computerized records of the time spent by all WilmerHale attorneys and paraprofessionals in connection with its special retention. For the convenience of the Court and all parties in interest, a schedule setting forth the number of hours expended during the Amended Application Period by each of the partners, counsel, associates, and paraprofessionals of Wilmerhale who rendered services to the Audit Committee and to Delphi in connection with the Mothershead matter, their respective hourly rates, and the year of first bar admission for each WilmerHale attorney is attached hereto as **Exhibit B**. A schedule specifying

³ As mentioned above, WilmerHale has not received any compensation for its professional services rendered or expense disbursements during the April 2007 fee statement period. Therefore, WilmerHale now seeks 100% of its April 2007 fees earned in connection with the Mothershead matter.

the actual and necessary out-of-pocket expenses during the Amended Application Period for which WilmerHale is seeking reimbursement, and the total amount for each such expense category, is attached as **Exhibit C**. Pursuant to Section II.D of the UST Guidelines, a schedule setting forth a description of the project categories utilized by WilmerHale for this case during the Amended Application Period, the number of hours expended by the partners, associates, and paraprofessionals by project category, and the aggregate fees associated with each project category, is attached hereto as **Exhibit D**.

23. A schedule setting forth the time records of WilmerHale attorneys and paraprofessionals during the Amended Application Period is attached as **Exhibit E**. In accordance with the Fee Application Orders, the time entries listed in Exhibit E have been redacted to remove “Confidential Time Records” (as defined in the Joint Interest Order). WilmerHale filed an unredacted version of Exhibit E under seal, and provided copies thereof to all “Designated Recipients,” as defined in the Joint Interest Order.

Professional Services Provided By WilmerHale

24. Delphi retained WilmerHale in August 2004 to conduct an investigation arising out of a subpoena Delphi received from the SEC. The Audit Committee assumed control of the investigation. In addition to conducting an independent investigation, WilmerHale advised the Audit Committee on appropriate actions with respect thereto, including disciplinary actions and communication with the SEC and other authorities.

25. WilmerHale’s ongoing representation of the Audit Committee includes communicating with the Debtors, the Board, the Audit Committee, counsel for the Special Committee that is investigating certain derivative claims, and the Official Committee of Unsecured Creditors (the “Creditors’ Committee”) in an effort to keep them apprised of critical

issues related to the SEC Investigation, and related tasks. WilmerHale also assisted the Audit Committee during the Application Period with responses to questions and information requests from the SEC staff. On October 30, 2006, the SEC commenced and simultaneously settled with the Company a lawsuit alleging violations of federal securities laws. WilmerHale negotiated that settlement with the SEC.

26. WilmerHale's representation of Delphi in connection with the Mothershead matter includes investigating and advising Delphi with respect to the Mothershead allegations, representing Delphi before governmental authorities to whom Mr. Mothershead has transmitted his allegations, and performing the full range of services normally associated with such representation.

27. During the Amended Application Period, WilmerHale also prepared and filed monthly fee statements and its interim fee application as required under the Fee Application Orders, and conducted an extensive supplemental review of its client records to identify WilmerHale's connections with the entities referenced in Bankruptcy Rule 2014(a) and to determine whether additional disclosures were appropriate.

Disbursements

28. As set forth in **Exhibit C** hereto, WilmerHale disbursed \$3,230.84 as actual and necessary expenses incurred in providing professional services during the Amended Application Period.

29. With respect to photocopying expenses, WilmerHale is charging \$0.10 per page, which is equal to or less than the rate WilmerHale typically charges its clients and is less than the maximum rate set by the Guidelines. Only clients who actually use services of the types

set forth in **Exhibit C** are separately charged for such service. The effect of including such expenses as part of the hourly billing rates would impose that cost upon clients who do not require extensive photocopying and other facilities and services. The amount of the standard photocopying charge is intended to allow WilmerHale to cover the related expenses of its photocopying service. A determination of the actual expenses per page for photocopying, however, is dependent on both the volume of copies and the total expenses attributable to photocopying on an annual basis.

30. None of the travel expenses of WilmerHale attorneys included herein were for first-class airfare, luxury accommodations, or deluxe meals.

The Requested Compensation Should Be Allowed

31. Section 330 provides that a court may award a professional employed under section 327 of the Bankruptcy Code “reasonable compensation for actual necessary services rendered . . . and reimbursement for actual, necessary expenses.” 11 U.S.C. § 330(a)(1).

Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including ---

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and

(E) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(3).

32. In the instant case, WilmerHale respectfully submits that the services for which it seeks compensation in this Application were necessary for and beneficial to the Debtors' reorganization efforts. WilmerHale further submits that the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Debtors, their estates, and all parties in interest.

33. During the Amended Application Period it was critical that WilmerHale perform various services on behalf of the Audit Committee in connection with the SEC Investigation, including reviewing, analyzing, and producing documents, responding to questions and providing information to the SEC staff and other authorities, advising the Audit Committee and the Board with respect to the same, providing information to the Creditors' Committee and the Special Committee of the Board that is charged with investigating certain derivative claims, and performing related tasks. Similarly, WilmerHale's work investigating the Mothershead allegations and advising and representing Delphi in connection with them was crucial to the company's ongoing business operations.

34. The services rendered by WilmerHale were necessary and beneficial to the Debtors' estates and were consistently performed in a timely manner commensurate with the complexity, importance, and nature of the issues involved. Approval of the compensation sought herein is warranted.

Statements of WilmerHale

35. The compensation requested by WilmerHale is based on the customary compensation charged by comparably skilled practitioners in cases other than cases under the Bankruptcy Code.

36. No agreement or understanding exists between WilmerHale and any other person for a sharing of compensation received or to be received for services rendered in or in connection with these Chapter 11 cases, nor shall WilmerHale share or agree to share the compensation paid or allowed from the Debtors' estates for such services with any other person. The foregoing, as supplemented by the Certification of David Wilson, attached hereto as **Exhibit A**, constitutes the statement of WilmerHale pursuant to section 504 of the Bankruptcy Code and Bankruptcy Rule 2016(a).

37. No agreement or understanding prohibited by 18 U.S.C. § 155 has been or will be made by WilmerHale.

Waiver of Memorandum of Law

38. Pursuant to Local Bankruptcy Rule 9013-1(b), because there are no novel issues of law presented by this Application, the Debtors respectfully request that the Court waive the requirement that the Debtors file a memorandum of law in support of this Application.

Notice

39. This Application is being filed and served in accordance with the Fee Application Orders.

WHEREFORE, WilmerHale respectfully requests: (i) interim allowance of compensation for professional services rendered as special regulatory counsel for the Audit Committee and as special counsel to Delphi in connection with the Mothershead matter in the amount of \$96,478.00 in fees for the Amended Application Period; (ii) the reimbursement of actual and necessary disbursements incurred by WilmerHale on behalf of the Audit Committee and Delphi in connection with the Mothershead matter during the Amended Application Period in the amount of \$3,230.84 and (iii) such other and further relief as is just.
